Dear Jeffrey,

I believe the Airworthiness review was recently done and most likely the specs have not been updated yet.

The aircraft is currently undergoing A-check from 12-21 AUG

With regards to a purchase contract; are you referring to a simple LOI or short "Offer to Purchase" or do you want to proceed straight to a full Aircraft Purchase Agreement?

Are you able to disclose the name of the contracting party in this case?

Many thanks

Best Regards

Dear Sir,

The aircraft which has the two bathrooms is A6-DFR, MSN 30884, YOM 2000, 19 Seats, Asking price USD 22 Mio

For this aircraft, please consider the hours provided below (AS OF 10th July 2016):

- * ACTT: 6110:05 H
- * ACTC: 2193 C

I have attached the details of A6-DFR only for your information; however, in these two documents the hours and cycles were not recently updated; this is why I am giving you the hours and cycles as of 10th July.

Please do let me know if there is any additional information you would require or any other questions you may have.

Thanks for pointing out the discrepancy on Controller, for some reason it seems they swapped the interior photos.

We look forward to hearing from you soon.

Best Regards
