Subject: Thanks!

Dear Jeffrey,

Hope you are well. I just wanted to thank you for a great and enlightening evening on Sunday, and for hosting all of us at your house. The topics brought up during the discussion were very interesting and you are definitely right - how to make decisions is not something that we have been adequately taught at university, and hopefully bearing Sunday's discussion in mind will lead all of us BBB girls to better and more efficient decision-making. I will absolutely take the discussion and the many issues you brought up with me in the future, especially the philosophy of asking yourself "why not?" rather than "why?". It seems to be a very good adage to live after, both personally and professionally.

Again, thank you and hope to see you soon.

Best regards,
