Hello Larry,

=/o:p>

We are working with a potential buyer for your G-IV. He has asked that we provide him with the full & detailed specs of the aircraft. Is this something you would be able to provide?</=:p>

He is also looking for confirmation that, with all new avionics upgrade performed, that they comply with NextGen requirements, and that they can cross the North Atlantic under the new regulations (CPDLC among others).=/o:p>

Kindest regards,<=p>
