Subject: S76 update

Jeffrey,

Sikorsky test flight went well, installing ground power control box=now, S76 will be return to service tonight, Only outstanding item is Satellite Phone, should have this repaired=Monday, and be able to depart to St. Thomas by Tuesday,. Helicopter is OK to fly tomorrow with Satphone inop, Weather should be clearing by 1pm in Bedford area, wind at 25 mph in New York area in the afternoon on Sunday,.

Please advise if you want me to pick you up in Bedford=20 tomorrow?, I am arranging to have AAG pilot to fly with me,&=bsp; East 34st heli pad is closed during weekend, however the west side pa= is open.

thank you,

Larry
