its been wild weekend.. [REDACTED] anyway, she had a remarkable and unexpected recovery, and the prognosis looks far less severe than before (though we will probably want to move her down here if she gets out).. I am now back in [REDACTED] tomorrow.. I had purchased a refundable ticket for [REDACTED] on sat, but I will be very surprised if she is able to come down.. unless her mother is already [REDACTED] she will probably want to be up there.. just to give you a heads up.. it may be just me..
