Subject: Photos from LSJ

Please see attached images of old african doors that could be made into coffee tables. I am wondering though looking at the shape of the desk whether round may be better? THe last 2 images are chests which I photographed with not much intention but could actually also be coffee tables. Sizes and prices are above images.

63"x24" - \$ 750.00

47x36 \$ 1500

62"x27" \$900.00
