Below is a picture of the backgammon set that I found in the new Goyard store on 63rd street.
It is \$21 290.00
Only available in black
They say only about 3 were made worldwide.
Can have one custom made in any color but it takes 6-8 months.
I am waiting for dimensions. (Looked about 18" x 12" closed and then flips open to maybe 18" x 24")

Hello Noe,

Thank you for the information. When I open the pdf I only see a rendering of the set. Could you please send me the dimensions in order to give my friend a better idea of sizing.

Best,

[REDACTED]
