The fuel truck approval was given Aug 17th, I was not informed of this until Aug 19th from Roy in St. Thomas after he read it in the news paper. Here are photos of a 5000 Gallon truck located in St. Croix, Bill Bolh-e has control of,,,he is owed money for overhauling the filters and getting =he truck up to spec,,the filters just expired July 2011, Bill Jr. will=20 contact the owner and see if he wants to sell,. estimate \$75,000 value acco=ding to the dealer that manufactures this vehicle in Ohio, New one priced at \$169,000 I though it was in good condition, needs new filters, new hose and tan= flushing,. aluminum tank,. diesel engine ran good, and drove good, </=IV>
