message below from Sean,. Yesterday we wired the money to cover the S76 sales adds for \$13,957.79 only, not including the \$25k you offered Sean for prebuy assistance.

Sean is unable to travel to Palm beach next week to assist in person with prebuy,. you mentioned that Sean was not honest on a previous deal in the past, details I never fully was briefed.

I stand by your decision to withhold the S76 payment, since Reenstra sold the S76 only 30 days later, Even AvPro did not charge for past sales advertisements with B727 failure to sell.

Sean is able to assist via phone with prebuy, I do not feel he should be compensated the \$25k if you decide to utilize him during the prebuy process unless he make an impact on final outcome.

My presence during prebuy will make an impact, I will work every angle to maximize sellers repairs to the GIV.

thank you,
Larry

Larry I am not going to be able to assist onsite with the prebuy, I will help anyway I can on my own time but I cannot travel. My Bosses are very upset about this situation s I mentioned. There is nothing I can do short of losing my job. This could have been avoided a long time ago but that is history now. I will help you and Dave and Morrison anytime this is not personal other than your office and the principal. I think I was very loyal to him and I was always honest. His taking the 576 exclusive and not paying the ads costs is the result

Best regards,

Sean J. Lancaster
