What does "uh oh" mean? Good or bad for me?

I am in Cannes...had dinner with the dreaded deGuardiolas at DuCap...saw David Geffen in Eden Roc...then went to lobby up the long gorgeous walkway- because Joanne was stalking jury president Bob De Niro for a pair of tickets for Woody's opening night. (Wood man turned her down flat after having met her once thru Richard LeFrak!) Anyway...being the good guy I am...I led her to Bobby D. hiding behind a pillar in the bar with wife Grace...we hung out with Bob...made him laugh and low and behold Grace came up with a pair for PUSHY Joanne. Her persistence makes me look like a piker.

What is going on with lawyer and brother. Do not understand.

Thrilled to be here. Excited to write. Have sea view....remember four years ago I was over the garbage and heard the wine bottles being crunched at 5:00am? What a difference four stories about this hotel and a little help from my friend makes.
xoxo P

Peggy

I spoke with your brother this morning. It was pleasant and short. He reiterated that he had no idea what your mother did with the trust notwithstanding that he was a co-trustee. I told him he still had fiduciary responsibility and he needs to consult an attorney. He said he would speak with his attorney.

Thanks
Phil
