Jeffrey,

Attached please find updated sketches for the flagpole pool. These are mainly for the building, approach, and view in from the road, per our discussions with Gary. We will send you more "design images" of the actual cabanas at the end of the day on Monday.

Please ignore the pattern on the exterior walls of the building. It looks like stone, but we know this will be plaster.

We will also send you some design sketches of the stairs an living room at the end of the day Monday.

Thanks,

Warwick
