Subject: Re: schedule , subject to info on 727

Great Schedule,.

For Paris if you use B727 on 18th I'll need to get TCAS 7.1 installed and upgrade our boxes, down time 10 to 18 days since HoneyWell is overwhelmed with upgrades, I can start after we return for Marrakesh and switch to GIV, Not sure your plans of which plane to use, Bill Hammond will be flying BBJ staying Jan 8th, until mid Feb in Singapore reminder
