Subject: Instant Marine Floating Docks
Attachments: image.png; Untitled attachment 00731.txt

Hey Bossman,

Would you like us to purchase a Instant Floating dock?

Material is made with Virgin vinyl so it won't get hot, It won't splinter an= it has a no skid surface. The float can hold up to 3300 pounds and the Fra=e, Decking & Floats come fully assembled with a removable 4ft ladder.

Pokey would just have to build a ramp from land to the floating dock.

8x10 \$1,795.00

8x12 \$2,219.00

Or Custom built.

Shipping: Tropical FLL to STT \$300.00
