Dear [REDACTED]

It would my pleasure to meet you again and to chat with you.

If everything works right, I will be in NY the Fall Semester
and then it will be easy to go to Harvard.

On the oter hand would you be intested coming to IHES at some moment?
Tomorrow we have one of out meetings and it is good moment to make a decisio=.

best

We met some time ago in Princeton at the Institute for Advanced Study.
I have since then moved to Harvard, where I am studying the
mathematics of evolution.

Many people here are very interested in your work.

Would you like visit some time? Maybe also visit that Harvard and MIT math departments at the same time?

I also have a philanthropist friend, Jeffrey Epstein, who would love to meet you.

He could also cover your expenses.

Best wishes
