Dear Sirs,

Last week you requested a resume. My resume includes the interior design work I have done for the past 13 years. Before I entered the interior design business I was a prominent designer in the film and television industry. I have designed over two hundred major television and film productions and received five Emmy Awards and the prestigious Peabody Award. I do not see a reason to include 6 pages of my film and television credits but a few credits include Death Of a Salesman, Orpheus Descending and specials for Barbra Streisand, Frank Sinatra and Michael Jackson. If you would care to discuss my qualifications in more detail I can be reached at [REDACTED] or my email [REDACTED]. Best, Tom John
