She is ok. It has been a little tough. She gets quite frustrated, more so than I would have expected. The crutches are also a completely different deal for her than for me. Then [REDACTED] got lost which upset her, but thank god she found her way home yesterday. I was doing everything in my power to get her back, she is a good little companion to my mom and it was awful to see my mom so devastated.

I apologize no photos yet. It is a beautiful day today I will try get out in the afternoon and get some for you. What would you like most of?
