Subject: package

Hi Jeffrey,

I've heard from Lesley that today you are leaving NY. You had to receive a package yesterday so I wanted to make sure you open it before leaving as the content might go bad if not refrigerated :)

I also forgot to mention to you that the last time I was in Vienna in December I was urged to pay tuition fee and I payed it with my credit card. If you want I can send you the receipt with all the details..

As soon as I receive video made by Lithuanian TV from the concert with Lithuanian National Symphony Orchestra in Vilnius Philharmonic I would like to share it with you :)
