Jeffrey

please attached for our reference C2 Ti= Oden square off design with fence to the east and existing lavender beds to north.

<=r>

The distance from Existing Lavender beds to the NW corner is now 21.73' (previous= 15.2') The North East corner will drop south 4'

The distance from the Fence to the outside of Western planter beds will be 6' parallel

The design will now fit on existing platform with only minor fill at the North East corner.

Are you OK with these adjustments

regards Brice
