I know I've made many mistakes during this year and I apologize for it. Coming to Paris was for me a huge joy but also a new start. You can't imagine how much I appreciate it and in particular way I would like to let you know how grateful I am to you for letting me attend this School. Since my arrival in September I've been studying and exercising everyday because my primary goal right now is to be serious about my Life and to get in shape so that I can finally start working with Next ([REDACTED] can confirm you that I've been serious on those points). I finally found a school that I really like and would love to continue and try my best to succeed. In this part of my Life I am making a major transition between the irresponsible girl that I was to being a serious and disciplined person, so that one day I would hopefully become successful. Unfortunately, it happens that I am experiencing right now the hardest time of my Life since the person who was financially supporting me just died. Being in Paris is amazing but living and studying in a place where I cannot afford Life is impossible. I am lacking a place to stay and I am aware I've made a mistake in not taking a place on time but if I don't find a solution by Friday I will be forced to take a flight back to Rome this weekend. Please let me prove you that I am able to make it by giving me a second chance and helping me find a solution. Forgive me my mistakes.. I know you've run out of patience. I promise I won't repeat those mistakes again and hopefully will start my "new Life".
