This company is based in NYC. All the sofas on this link can be made into sofa beds with our own fabric:

Options

Every custom-piece of Carlyle upholstery is available with nearly endless options. Whether for a sofa, a chair, an ottoman, or a bench, with or without a bed, any frame can be ordered exactly as pictured or can be modified with almost any combination of the listed options. Some styles are by their nature incompatible with some options and/or combination of options. Please talk to a Carlyle Design Consultant for more information prior to final order placement. Just because an option or detail is not listed or illustrated does not necessarily mean that it is unavailable. Simply talk to a Carlyle Design Consultant with any special requests. A picture or illustration of the detail, if available, would be very helpful.
