Hi,

My daughter Sophie and wife Leslie will be in NYC on Sept 6,7,8 and Sophie would love to get into some Fashion Week events (and Leslie too if possible).

She is a newly minted fashion blogger: AngelFoodStyle.com (I posted two photos of her from the blog below) and also writes on fashion for Neon Tommy the USC online school newspaper.

Do you by chance have any contacts in that space?

Thanks and hoping all is well,

Bill
