I just talked with Jeffrey and he has given me a verbal of \$20,000 to work on the 71st job

please review the form so we can AUTOMATE THE QUOTE PROCESS and we can keep our money for 30 days net once we get approved. (sounds good? for every other company I have done jobs for they like automation and first class account services)

I will have the quote ready soon and once we get the final approval (however you guys choose to do so) I can have the stuff delivered to 71st and begin working thurs at location. Since I am available to work christmas day I would like to do so as I want to get these jobs done for Jeffrey ASAP

thank you

Scott Denett
