but in 10 m=n I will have no way to pay for it and possibly no way to have access to th= 71st location till monday
..... that is a shame because i want to get thi= done for you

so if hbrk is closed and you s=ill want me to get this done you and i need to come up with a plan to do so=/div>

sorry to make waves but I want to meet your deadli=e, and if I can bang this out over xmas and the weekend I
will be able to f=cus on the cell data part next week which will be more of a technical chall=nge and can be handled
during the normal 9-5 hours rich seems so attached t=.

after we get over this hump lets come up with a b=tter arrangement so I can accomplish things for you faster
then the current=system will allow for ... if thats what you want of course
