Philip meet Jeffrey – Jeffrey meet Philip!<=r>

I think that both of you will gr=at enjoy talking/meeting. Both of you are actively working on =irtual currency and making money from a virtual world/or virtual transacti=ns. Also there is a strong connection to sex – either virtual =Jeffrey – a significant part of the second life was virtual sex) &nb=p;or real (unfortunately I am not referring to myself ;))

Philip –=Jeffrey is my great friend and a family.

It is somewhat time sensitive =o it would be great if you two can talk sooner.

I really wish that I cou=d be at the first meeting but considering that I am traveling starting thi= weekend and that my schedule next week is horrible.

Perhaps we could fi=d some time in February or March that Jeffrey and I visit Philip in SF.&nb=p; Nonetheless, I would urge you to connect and talk before. </=>

Have fun!!=
