Number26 Raises \$40M Series B

Prior to this latest financing round, Valar Global Fund 2 led the company's \$10 million Series A in April 2015. Since that time, the company has grown its customer base by over 100 times and launched in six additional European countries. Moreover, the company is now well through the process of becoming a fully licensed German bank, which will allow it to operate freely across the European Union. Securing the current funding round was critical to achieving that milestone. We are excited for the company's continuing success.
