The debut film from The American Film Company, THE =ONSPIRATOR is directed by Robert Redford from an original screenplay =y James D. Solomon and based on true events. In the wake of =braham Lincoln's assassination, seven men and one woman are arrested =nd charged with conspiring to kill the President, the =ice-President, and the Secretary of State. The lone woman charged, =ary Surratt, 42, owns a boarding house where John Wilkes Booth and =thers met and planned the simultaneous attacks.

Against the =minous back-drop of post-Civil War Washington, newly-minted lawyer, =rederick Aiken, a 28-year-old Union war-hero, reluctantly agrees to =efend Surratt before a military tribunal. As the trial unfolds, =iken realizes his client may be innocent and that she is being used =s bait and hostage in order to capture the only conspirator to have =scaped a massive manhunt, her own =on.

Hi Stephanie. Hope you are well. I show in my calendar that Peggy is

to meet with the woman from the Rebecca Project today...does that

still

hold true? I am only asking because she spoke to me about this.

...Jeffrey did not ask me, I am asking...but I will remind him if he

is!

Thanks! =nbsp;Lesley
