Jeffrey

Eric Roth is in Palm beach this weekend, I'm having dinner with him tonight, in case you want to meet with him?

B727 update from Gary regarding showing, seller was unhappy with -7 middle Engine, Buyer doesn't understand the power of the -219's. Uneducated buyer.,

Larry,

The only negative comments were about the #2 engine, being a -9 and making it worth less and that there were some big expenses coming due for the aux tanks.

Kobsak did not take my call last night but email this email to say M-JET is reviewing the records and he is still planning to make an offer. He asked if I had the maintenance quotes from the local guys (Stanbaugh)
