Dear Jeffrey

This con man used legitimate names like Tod from guggenheim Lee kai chong from hutch

I insisted to meet tod and I met him and he confirmed that he knows Ajmal it was a brief meeting in ny

As far as me I am doing fine with the banks and my apartment sales are enough to pay the bank but when Amal came and told mohammad Sharaf my DPW CEO that hutch wants to invest in real estate mohammed arranged for him to meet me and i met him I wasn't impressed with him but he kept insisting that he is mandated by hutch and guggenheim to invest in dubai

Of course after this e mail I already told both dubai world and DPW not to deal with him

I told you that admail is full of shit.. he now says that they need a 30% IRR.. You have a great future, and great potential.. the more you allow yourself to come in contact with con men, hustlers, bullshitters= the more difficult the recovery will become.
