Hello. Are you going to the wedding? Will look for you in the crowd.

Saw in the paper that U.S. Bankruptcy Judge Raymond Ray has allowed for the deposition of Scott Rothstein in his fraud case. Bankruptcy lawyers apparently get first crack, but your lawyers should do everything possible to be there, as are other victims' lawyers. Judge joked the deposition would have to take place in a football stadium with all the lawyers wanting to get a crack at Rothstein.

Let me know if I can do anything to help you.

Steve
