Dear Songza Family,

Songza has now officially joined Google!

Google is unique in their reach, resources, and ability to use data to make the world better; we can't think of a more inspiring company to join in our quest to improve the things our users do every day. No immediate changes to Songza are planned, other than making it faster, smarter, and even more fun to use.

Thank you so much for the role that you have played in the Songza story - we couldn't have done it without you!

Many huge hugs,

Team Songza

P.S. We'll be deferring to Google on all public communications about the deal, so if any reporters reach out to you please forward their emails directly to press@google.com <<mailto:press@google.com>> .
