I'm just as concerned for you! Don't worry about me!

It would seem we are in this together and will have to rise above it!

Let me know if you want me to deal with J wages.

Otherwise keep in close touch and we'll play some more soon!!!!

The press is piling on me in the states.. nothing to do. just want to make sure you're =k

We have had a discussion this morning and we are somewhat at a loss as to how to deal with this as it =s now innuendo rather than substantive allegations, notwithstanding =nything false they have said about you or =hislaine.

We are having discreet =iscussions with the Press Complaints Commission but don't hold =ut much hope for a sensible.

We will be writing a lawyers =etter to the Mail Group (again) upon the accuracy and innuendo =ailures. This is a regular thing and has to be done to register =ur displeasure.

No one else has even sparked at =he story over here, which is a good thing.

Unfortunately this is what we =ave come to expect of the poor editorial standards and poor journalism =f the Mail Group.

Most people here, sadly, just =aise their shoulders and shrug saying this is just the Mail =gain!

However if you have any suggestions they are gratefully received.

I've never been on a boat in Thailand. If there is something I can do, let me know.

Good morning from a very dull London.

I am afraid that I haven't read any of the Mail articles. I don't on principle. But I will be discussing with my team today any further action to be taken in light of another in today's Mail as well.

Jes is coming on 1st March or next week?
