Jeffrey,

I just wanted to give you the heads up I found out from Brian Bates that he and Brice had some words this morning and Brice threw him off the island and they have a meeting with him at 11 am at TC.

Now Brice doesn't know that I found out about his. Brian has been a great source of information for me and he is my eyes on SJ when your not there. I found out that a fridge that I bought in September for myself while at the Bolongo house was given away granted it was only \$50 but still it's the principal considering Brice was told not to part with any of your belongings . We have got to put a stop to the managers freely giving your possessions away without Rich and I being notified. When Brice and Aren find out about anyone giving me any information they always give that person a hard time.

I will see what happens after the meeting and will let you know

Thank you

<=p>
