Subject: thanks again

...mostly for spending QT with me the other day.

also= i'd like to pay you to give me piano lessons again. i took for 8 yrs =ut w/o a piano it's tough to stay fluent. plus i am completely tone=deaf and you were playing w your eyes closed so i think you could help me.=how about it?

annd i was thinking more (aka obsessing = bit) on the how the billionaires should spend their money and want to dis=uss with you an idea.

finally - what about joh= crouch? are you still interested in working with him? i know he was=really excited about the prospect and was making some changes in his life.= i think it would be a good match. let me know if you want me to set =p another meeting.

okay....thinking of you....
