The aircraft has been traded in and you are not obli=ated to buy it.

We will continue with the Chinese. <=p>

Furthermore, money laundering applies to buyer funds=as Seller is already clear and has passed Wells Fargo Banks Trust KYC.&nbs=;

Nice try with your Money Laundering BS

For disclosure purposes, we need to know if it is a back=to back transaction. Money laundering laws are very meticulous now,=especially with a Swiss company. We would prefer to buy directly from the current seller.

Thank you for the revisions.

If you are charging a commission we understand and a=ree. However, is this a back to back transaction with an =merican company? We have unique circumstances that requir=s an answer. Please email back as I will have limited phone availability this a=ternoon.

Ali:

Contract makes reference to an Export C of A and requires Purchaser to pay the costs to get the plane to qualify for an Export C of A, but N registered? Contract makes reference to delivery in Europe? If N registered, then why Export C of A and European delivery?

Contract is keyed to Buyer's acceptance in a number of places when it is Buyer who is making the offer and it is the Seller who must accept.

\$3.5 MM deposit seems high for a \$28,000,000 price.

No penalty to Seller if they refuse to make any discrepancy corrections; only get the deposit back; they should get inspection costs and transaction costs if they refuse to make discrepancy corrections. No provision for a second flight test to check discrepancy corrections

Hours and Cycles on the Specs are from May 2014 and need to be updated.
