Subject: Re: FW: Flight Options

OK here is what I have so far;

2009 Falcon 900XP

Sante Fe - Teterboro \$21,030.00 +tax

this is Tommy Mortola's charter guy and is quoting at a discount to me,.

(I have other companies working other possible options for us),./DIV> this falcon is dropping in Aspen today at 6pm, he is quoting me a one-way charge since he has a Palm Beach to Aspen later in the week,. so its close to ferry plane from NY to PBI, than Aspen to PBI,. just fyi,.

thx.
