Please confirm that you will serve [REDACTED] [REDACTED] She has seen all the fake depositions I am sure at this point given she called me whilst Rothstein was selling fake suits and suggested a lawyer for me to use saying even though she didn't believe a word she'd read i need good legal advice - it is critical you get to her + given she is trying to make money off your story ...and make a name for herself and has proven to be biased and dishonorable...
