I am glad you like what I am doing.

Can you invite me to the island in the next 3 months? It would be great to spend some time with you.

Hi Jeffrey,

Sometimes when I write you I feel like I am talking to myself. It's ok, I understand that you are busy.

I am rocking it with [REDACTED]. I have a few deals in the works and a couple of great ideas for advertising. Between me and my intern we will [REDACTED]. We will call and ask to send us [REDACTED]. I will also have her put the flyer I created in colleges and language schools. This should get some calls.

I met a really great guy. His name is [REDACTED]. He is a millionaire and has a real estate company. He is one of the nicest, most respectful, humble, intelligent and smart people I ever met. I had a great time with him and I am going out with him again tomorrow. It feels like we have know each other for years.

I am also helping [REDACTED] get a green card. I am very excited about it. I am happy I can do something that is very important to her. She is a very special talented person and I want her to have the best opportunities.

[REDACTED] I am going to Life Coaching Business development seminar with some of the people from my company. I am very excited. It's a seminar by Tony Robbins. I have been following his teachings for years, that's how I got your attention. If it wasn't for his advice I would not last more than a week with you. It is really great that my company is encouraging me to go. I believe it up my production level by 70% or more. Great stuff.

I saw Henry the other day. He seems distressed and like he really needs a hug. I wish I could do something to make him feel better. He has been an amazing friend to me. Basically he made sure I was ok until you are back. I want to give something back to him, but I don't know what it is.

I am really happy at work. I love the girl I am working with ([REDACTED]). She does all the annoying things I don't like to do and helps me close deals. She is very warm and is great at connecting with clients. I paid for her to go to the seminar with me because I thought it was crucial to our business and she send me such a nice email telling me how happy she was to have me in her life. That made my day.

All good with me. Pretty happy right now. I just wish I could share it with you, because I really think of you as my family. You gave me a great foundation and I am forever grateful.

Wish you a happy halloween!

Big kiss
[REDACTED]
