denon =ecommended by best buy

<http://www.bestbuy.com/site/Denon+-+1260W+9.2-Ch.+3D+Pass+Through+A/V+Ho=e+Theater+Receiver/1156678.p?id=1218227296897&skuld=1156678>
new just announced this tues

<http://www.pioneerelectronics.com/PUSA/Home/AV-Receive=rs/Pioneer+Receivers/VSX-1021-K>

only \$550 works with ipad =ut of the box all the control and then =ome

Nicks value is clear when it comes =o his knowledge of how the 6th is currently wired.

Nick under =our direction should switch the projector to the sony, make a clear =ourse of action on hdmi to the sony

install the integra, =unfire, make it sound as good as =ossible

Best buy we get denon or =ioneer receiver, samsung or pioneer blue ray, sonos, and apple tv and =et the sony color as good as possible

and it will be under =our control after =hat
