Subject: Mohammed and mountains

Not sure about my Islamic credentials, but a mountai= arrived on our doorstep this morning – in fact, two of them. =he super had to bring them up to the apartment. Quite a collection o= feasts. Even Shmura Matzoh (not sure what Mohammed would have thought about that, but Valeria is eager for the new experience=.

Mohammed and wife are still planning to come to the =ountain, when we can. And to the delightful island. My special=fantasy.
