Richard is an anti-semetic imbecile.

Going to St. Petersburg April 6, 7, 8th with Blaine Trump/Steve Simon and Karen/Richard LeFrak. Karen composes scores for ballets and her music is being performed by the ballet in St. Petersburg on April 7th.

Do you know anyone in that city. Blaine has arranged sightseeing thru the hotel. Emailing Dasha Zhukova too.

I go to London March 31st for the weekend. Doing a dinner for Cate Blanchett for the UN at Maja Hoffman's house on Sunday, May 8th. Will be at Claridge's for the weekend.

Then we are going on Richard's plane to either Vienna, Berlin or Moscow before the ballet. Will update.

Business is great. NYTimes article was a miracle. Hope you are well.
