Last year while on holidays=traveling in Florida I needed to

go to the emergency room. N=t wanting to sit there for 4 hours,

I put on my MAGIC GREEN HAT= When I went into the E. R.,

I noticed that 3/4 of the p=ople got up and left.

I guess they decided that they weren't that sick after all.

Cut at least 3 hours off my=waiting time.

Here's the hat:

It also works at Dept. of M=tor Vehicles. It saved me 5 hours.

At the Laundromat, three minutes after entering, I had my=/p>

choice of any machine, most=still running.

If you live in Texas , it might cut your wait time at the grocery store.

But...don't try it at McDonald's. The whole crew&nbs=;ran out

the back door and I n=ver got my order!
