Subject: THANK YOU!!!

Dear Jeffrey!

I've just heard back from your amazing assistant Bella who has been helping me this week to organize the studies! I am so grateful to you- you are the kindest person I've ever met! I have never thought I'd get the best MacBook version! I'm happy as a little kid right now!
It turned out that many CAD classes were cancelled because they haven't reached the minimum amount of registered students so I took Autodesk Revit for the summer and hopefully will sign up for 3DMax or Maya and AutoCAD this fall!
Thank you! Thank you! Thank you!
Big kiss and hugs! I hope you are enjoying your time and your joints are crushing! Hope to see you soon!
