Thank you

In this deal there was no difference from where money is coming - Bas Marissa and Zack know me (and Bill) well.

The issue with money coming from Bill for this deal is that a timing could not be worse - Larry traveling on his honeymoon, Bill just started traveling for few weeks, people (including BGI) out of the office.

You told me to go out and find a deal and that money would not be a problem. This could not be a simpler and smaller deal. And I was counting on you. It was very important for me to get this deal done because of several important reasons.

And it would be a big problem for me that I could not pull this deal - I might move out of Silicon Valley immediately (Marissa and Zak know everyone in the Valley).

Nevertheless, it is great that BGI jumped in as well as that - even had other people offering to come instead for a whole deal (David Schwartz, Nicolas etc).

Please do not get me wrong - I am EXTREMELY grateful for everything you have done - and this will never change regardless how much you can or can't help going forward.

THANK YOU

Best

Boris
