The first time I see Karyna's name in my google calendar is actually May 24, 2011. She had a 9:30am appt and I was to print out Phantom tickets for her when she got to the house...I show in the flight log binder that JE was in NY on Thursday March 31, 2011 but departed for Paris on April 1st, 2011 and you did not return until April 11, 2011. Flight logs show JE was in NY on May 24, 2011. I do not show any appt's with Karyna on March 31, April 1 or 5, 2011.

Larry is going to call Universal and see if they have past weather reports for 2011...so far I can only find websites that charge a fee if you want to look up when it rained.
