Subject: Details for Jeffrey's blood dra= tomorrow

=

Good afternoon Lesley!

This is a friendly reminder for Jeffrey's b=ood draw tomorrow, Thursday= February 4th with our NYC phlebotomist, Nakema Autry=(copied on this email).

A few reminders:

1. Please make sure Jeffrey is fasting fo= *at least* 10 hours prior to the draw. However, he can go ahead=and drink water (not coffee, not tea);
2. There is an ice pack included in the k=t that was sent to Jeffrey. Please put that ice pack in the freezer *tonight*;
3. Please have Jeffrey provide Nakema wit= a copy of his insurance card (front and back);
4. Please make sure you (or Jeffrey) fill=out *all* of the sections highlighted in yellow on the lab requisition fo=m. Nakema will fill out the sections highlighted in blue, and will ship the=form with the samples;

5. The entire process shouldn't take more than 20-30 minutes, as we are just doing a standard draw (4 tubes of blood) – no glucose test, and no urine test.

I have instructed Nakema to come to the following address:

9 E 71st St.

New York, NY 10021

As always, I will be available via cell phone (text/call/email) throughout the entire draw should you/Jeffrey have any questions, and I will be checking in tomorrow morning to ensure everything is going smoothly.

Thank you!

Best,

Ciera
