Not sure you received this

attached photo's of proposed EGP design for your consideration.

The photos are taken from the Sky Track at each corner, due to the 4% grade sloping away from your line of sight any photos taken from the MB Deck or bathroom didn't show enough detail. We only laid out the two top corner section, if you wish for the bottom two corner sections to be laid out let me know.

Dimensions as laid out are on the first photo of sketch.
