Story from a Kansas State
Highway=Patrol officer :

I made a traffic stop =n an elderly lady the other day for speeding on U.S. 166 Eastbound at Mile Marker 73 =just East of Sedan, KS.

I asked for her driver's license, regi=tration, and proof of insurance.

The lady took out the required informat=on and handed it to me.

In with the cards I was somewhat surprised=(due to her advanced age) to see she had a conceal carry permit. I l=oked at her and ask if she had a weapon in her possession at this=time.

She responded that she indeed had a .45 =automatic in her glove box.

Something---body language, or the way s=e said it---made me want to ask if she had any other firearms. She =id admit to also having a 9mm Glock in her center console. Now = had to ask one more time if that was all. She responded once a=ain that she did have just one more, a .38 special in her purse.=I then asked her what was she so afraid of.

She looked me right in the eye and said, &=quot;Not a fucking thing."
