Subject: Reminder

Just finished a few hrs at the office on various items and just wanted to remind you ada, alan and I are meeting with leon tomorrow at 2pm. You're invited obviously...either in person or on the phone. The subject matter is to try to push the ball forward on clats, crts, etc...all in the context of your observation that this should be practical, given art and aog, etc vs theoretical. When we talked about this a while ago you weren't yet clear whether you could/would join. Let me or melanie know about your availability. Thx, b
