Subject: Photos from LSJ Flagpole coffee table

Please see below coffee tables. Not all african, 2nd 2 more art deco. The specifications of each table are above the image

35 inch diameter (a little on the small side) 17.5 inch height. They usually apply an ebony finish to these pieces . They say I can purchase it'raw' They could work on any splits to give it a more uniform look but without the finish the imperfections are still visible (like our giants) Price \$4500 list/\$3000 net.

Italian Brass and Laquered table. Italy , 1930.
