Subject: Thank you!

Dear Jeffrey,
Thank you for introducing me to Mr. =lack! He seems very nice.
I've given a thought to what to do =n your dining room.
I propose the following six portraits for =he room. Each print will measure approximately
55x65 =nches with the frame. I offer you the pieces, including production, for =100,000.
This is fifty percent less than the gallery =rice.
I think it will look amazing and provocative. I also =ay want to change the color of the room if you're up for =t.
All best,
Andres
